

COME DANCE WITH US!!! EARLY RELEASE PROGRAM

Looking for a fun, creative after school opportunity for your child when school on Early Release Days???

For 8 Wednesdays this year, Synergy will be offering Early Release Programming. Students may ride the bus from local elementary schools and we will meet you there or walk over from Browns River Middle School. A snack will be provided before jumping in to the day's activities.

Teaming up, our veteran teacher Rose Bedard and Synergy senior Anika Romanko will lead the students through dance related activities and classes that explore a different style each month. With over a decade as the after school coordinator in St Albans, Rose brings a wealth of knowledge and unbridled enthusiasm for creating an active after school environment sure to keep your student engaged and moving. Her "co-director" Anika Romanko grew up dancing with us and brings years of dance and counseling experience plus a passion for dance to this program.

This is a great way of introducing your dancer to new styles and genres before committing to a weekly class. Or maybe you know someone who wants to try dance but never seems to have the time! Activities will be generated to offer challenges to students in a wide variety of skill levels.

Spaces are limited to 20 students and priority will be given to Synergy families.

TIME: Arrival on bus approximately 12:35 pm
Dismissal at 2:45

**If you are registered for a Wednesday class between 3 and 4 pm please contact Mia

Sign up one month at a time for \$25 each month OR sign up at once for all 8 months for \$175 (\$25 per month and your 8th month is free)

Registration will be available via your Synergy Portal for each month starting Tuesday August 22nd. Themes for January through May will be determined with student input!
